LUC Waterville/Monclova Road Resurfacing Project

Waterville/Monclova from South River Road to Farnsworth Road will improved starting August 11th 2014, and a completion date by the end of October, weather permitting. Gerken Paving will be under contract with the City of Waterville to perform the work. Starting August 13th 2014, and for 10 Days thereafter, the roadway will be closed at the Railroad for the replacement of the crossing. A detour will be provided during the 10 Day period. Otherwise, the roadway will be maintained and open with occasional lane closures, your cooperation during this construction project will be greatly appreciated.
