

Veterans' Day

American Flag Retirement Community Service Project

Bring your worn or faded American flags to:

Waterville United Methodist Church

102 North Fifth Street, Waterville

Tuesday November 11th, 2014

7AM to 7PM

Free and proper retirement of worn American flags will be provided by:

Waterville Boy Scout Troop 101

Just as we honor and respect our Veterans, it is right that we treat our “veteran” flags with honor and respect as we retire them from service. Flag etiquette prescribes that worn or faded American flags are to be replaced and that the weathered flags be decommissioned respectfully. Troop 101 is privileged to provide this service to the Anthony Wayne community and we are grateful to our Charter Organization, Waterville United Methodist Church, for supporting us in this project.

Weather permitting, we will perform a flag retirement ceremony open to the public at 7PM on November 11th in the church courtyard.
