Young Tree Training/Pruning Class Thursday, November 13, 9:30-3:00

Want to make sure your trees grow up to be strong and hold up to storms? A little bit of training goes a long way. This workshop teaches you how to do it with a little bit of classroom time and then hands-on practice.

Free!

Bring lunch money & we'll go somewhere to eat.

Dress for the weather. Feel free to bring handsaws and hand pruners. No mechanized equipment please.
