

*"Good Night Irene" is just one of the many songs that will be performed by musicians Leslie Poolos and Karen Herzberg for the November 20th program sponsored by the Waterville Historical Society.*

*Titled, "Woody Guthrie et al. Music From the Great Depression,"*

*The event is free and open to the public beginning at 7 p.m. at Wakeman Hall, 401 Farnsworth Road.*

*The women will sing and play guitars, a hammered dulcimer and ukele as they remind us of such classics as "Hoboes Lullaby" and "No Depression in Heaven."*
