

Want to find out how you can help protect the Maumee River and Lake Erie?

Come to the City of Waterville Water Education Expo!

When: Thursday, May 18, noon-4 p.m.

Where: Conrad Park & Waterville Recreation Building,
808 Michigan Ave., Waterville

Contact: jodi@waterville.org

Learn about water quality programs in your community. The program will include speakers and activities from -

- TMACOG
- Toledo-Lucas County Rain Garden Initiative
- ODNR, Scenic Rivers Program
- Toledo- Lucas County Health Department
- Local native landscapers
- Waterville Stormwater Program
- Toledo Area Metroparks
- Partners for Clean Streams
- Lucas Soil and Water Conservation District

BONUS WORKSHOP - RAIN BARREL MAKE AND TAKE WORKSHOP

Sign up for a hands-on workshop where you'll learn how to make and use a rain barrel. We provide all the tools and materials to build your rain barrel...all you need is a car large enough to take your new barrel home.

The cost is \$35.00 (cash or check paid at the event) and you will need to pre-register. Register now—space is limited. We look forward to seeing you there!

Register with Lucas Soil and Water Conservation District at 419-377-0065 or

jlwilbarger@co.lucas.oh.us
