

Public Works Technician
City of Waterville

The City of Waterville is accepting applications for the position of Public Works Technician. Applications may be obtained from the City website waterville.org or at the Municipal Building, 25 N. Second St., Waterville, Ohio 43566-1491. Position description, including requirements and qualifications, is also available on website. Current salary range \$15.86 to \$20.61 per hour. Completed applications and other relevant information must be received by 4:30 PM on February 2, 2018 to be considered. Documentation of an Ohio Class B CDL must be included at the time an application is filed. Honorably discharged veterans must also include a copy of their DD Form 214 with the application in order to receive veteran's credit. Resumes may be included; however, a completed application form must be submitted to be considered. Faxed applications will not be accepted. Qualified applicants will take an open, competitive, assembled Civil Service Examination for placement on an eligibility list for the position. The City of Waterville is an Equal Opportunity Employer.
