**ANNUAL SIX WEEK LEAF COLLECTION PROGRAM**  
**BEGINS OCTOBER 18<sup>th</sup>**

The Waterville Public Works Dept. will be collecting leaves through-out the City. The City will be divided into two sections at the railroad tracks, with pick-up alternating weeks between sections. See map and schedule below left. We ask that you please read and follow the reminders listed below:

- **Please DO NOT** rake leaves into the street or put them in a container.
- **Keep parked cars away from piles** so that the crews can reach them easily.
- **Check leaves for:** Limbs or sticks, corn stalks, garden waste, rocks, grass clippings & weeds.

Leaves mixed with these items **WILL NOT** be picked up! The items listed above can damage and/or clog the intake & vents on the equipment resulting in major costs & delays.

Please help us to better serve you by ensuring that these items are removed prior to collection.

**The City's leaf removal**

**program will end**

**November 24<sup>th</sup>**

Anyone with leaves that fall late may dispose of them at the Clean Wood Recycling Facility located at 6730 Anthony Wayne Trail until Monday **November 29<sup>th</sup>**
