

ANNUAL SIX WEEK LEAF COLLECTION PROGRAM BEGINS OCTOBER 19TH

The Waterville Public Works Dept. will be collecting leaves through-out the City. The City will be divided into two sections at the railroad tracks, with pick-up alternating weeks between sections. See map and schedule below left. We ask that you please read and follow the reminders listed below:

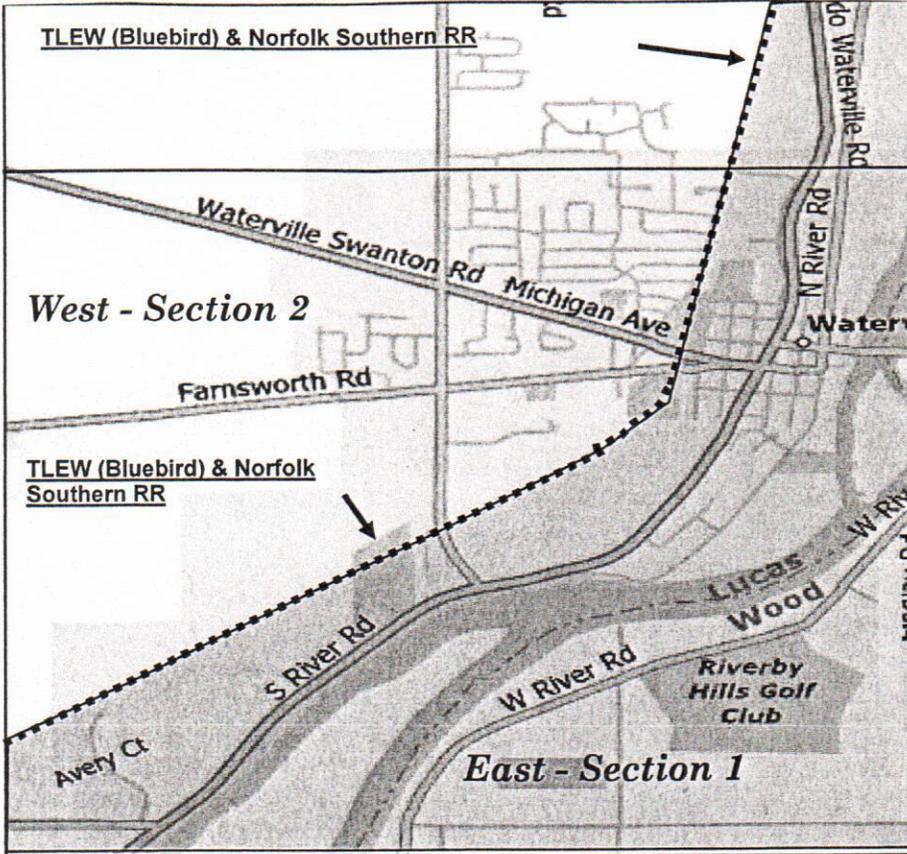

- Please **DO NOT** rake leaves into the street or put them in a container.
- Keep parked cars away from piles so that the crews can reach them easily.
- Check leaves for:
Limbs or sticks, corn stalks, garden waste, rocks, grass clippings & weeds.

Leaves mixed with these items **WILL NOT** be picked up! The items listed above can damage and/or clog the intake & vents on the equipment resulting in major costs & delays. Please help us to better serve you by ensuring that these items are removed prior to collection.

The City's leaf removal program will end **November 25th**

Anyone with leaves that fall late may dispose of them at the Clean Wood Recycling Facility located at 6730 Anthony Wayne Trail until **Monday November 30th**

If you have any questions please call the Public Works Department
419-878-8108
