VIEW LIVE ON  
TIME WARNER CABLE  
CHANNEL 1021

MONDAY,  
DECEMBER 14TH  
JANUARY 11TH & 25TH  
FEBRUARY 8TH & 22ND  
AT 7:30 P.M.

IN THE COUNCIL  
CHAMBER OF THE  
WATERVILLE MUNICIPAL  
BUILDING

## City of Waterville Employee Recognition

*The City of Waterville wishes to recognize the following employees for their continued commitment to our community:*

**Kyle Whited**  
**Sean Fitzpatrick**

**Patrol Officer**  
**Fire Dept.**

**5 years**  
**5 years**

***Thank You for your service!***

## Happy Holidays

We wish all of our residents and their families Happy Holidays and a healthy and prosperous New Year!

*From the  
City of Waterville  
Mayor,  
Council & Staff*

## Tree Branch Disposal

With the winter season upon us, high winds and ice storms can cause fallen tree branches. If you have limbs down due to storm damage....

please place them in the **right-of-way** & our Public Works Department will work as quickly as possible to remove them.

**Thank You**

## Let It GLOW

HOLIDAY LIGHT COMPETITION  
DECEMBER 4 - 19, 2020

The Waterville Area Chamber of Commerce is excited to announce the first ever light contest! This contest is open to businesses and residents with a Waterville mailing address. Grab those lights, wreaths and lawn ornaments to be voted the Clark Griswold of Waterville!

### REGISTRATION INFO:

- Deadline to register: November 28
- Homes **MUST** be decorated by December 4th.
- Free to register!
- Registration form at: [www.watervillechamber.com](http://www.watervillechamber.com)

### VOTING INFO:

- Each entry will have a number.
- Residents can vote via text by texting the house number (1-99) to 562-358-6758.
- Vote anytime from December 5th to December 19th.
- Winner will be contacted as well as posted on social media

Event Sponsors:

# SEASON'S GREETINGS

*The City of Waterville wishes to recognize the following individuals for their contribution to our community during 2020.*

**Elected Officials:** Timothy Pedro, Mayor

**City Council:** Barb Bruno | Mary Duncan | Anthony Bruno | John Rozic | Todd Borowski | Rod Frey

Todd Borowski & Mary Duncan—Council Reps  
Greg Aubell/ Penn Pritchett/ Tom Shoemaker/ Brad Fox/  
Cindy Schultz

**Tarta Representative**—Kelsie Hoagland

In Memory of  
Your Loved One

Recognition of  
Mr. and Mrs.  
Jonathan Smith

In Honor of  
John & Jane Doe

The Smith  
Family

## ***ENGRAVED BRICKS & PLAQUES FOR CITY BENCHES***

**WOULD YOU LIKE TO BECOME A PART OF WATERVILLE'S HISTORY WITH THE PURCHASE OF EITHER A BRICK OR A BENCH? EITHER WILL BE A PERMANENT GIFT AND THEY ARE AN EXCELLENT WAY TO COMMEMORATE ANY SPECIAL OCCASION, TO RECOGNIZE FAMILY MEMBERS, OR TO PROVIDE A LASTING MEMORIAL FOR A LOVED ONE.**

**Be the one who inspires the next generation!**

Engraved Bricks are located at the Clock Tower building at the corner of the Anthony Wayne Trail and Farnsworth Road. Engraved bricks are available in two different sizes:

4" X 8" with up to three lines of text, up to 13 characters in each line (including spacing and punctuation) Cost : \$100.00

8" X 8" with up to six lines of text with up to 13 characters in each line (including spacing and punctuation) Cost: \$225.00

The Engraved plaque will be placed on a City Bench. The plaques will be attached to benches throughout the city.

The plaques are 8 1/2" wide by 5 1/2 " tall. There will be 4 lines available for engraving, 13 characters in each line (including spacing and punctuation)

Cost: \$450.00 (this includes the cost of the bench, the plaque and installation of

*For more information or to find an order from, please visit our website [www.waterville.org](http://www.waterville.org), under the Forms/ Misc. tab at the top of the page. Forms are also available at the Municipal Building at 25 North Second*

\*The City of Waterville reserves the right to approve all copy to be engraved on the bricks or the plaques.

**Please Call the Municipal Bldg. at (419) 878-8100 for more information.**

# City of Waterville Curbside Christmas Tree Recycling

**December 28<sup>th</sup> – January 4<sup>th</sup>**

**You may also take your tree to the  
Clean Wood Recycling Facility**

**6730 Anthony Wayne Trail**

**during the following Hours:**

**Sat., January 2<sup>nd</sup> & 9<sup>th</sup> from 8:00 am to 5:00 pm**

***All trees need to be free of all tinsel, garland, decorations  
& lights or they will not be accepted!***

## Trash & Recycling Holiday Collection

Pick up will be delayed by  
one day only if any of  
the following holidays fall  
on a Monday:

New Year's Day  
Memorial Day  
July 4<sup>th</sup>  
Labor Day  
Christmas Day

*Never Delayed:*  
*Martin Luther King Day*  
*Veteran's Day, Columbus Day*  
*& Presidents Day*

## CITY OF WATERVILLE UTILITY PAYMENT DROP OFF BOX

IS LOCATED ON N. 2<sup>nd</sup> St.  
ACROSS FROM THE  
MUNICIPAL BLDG. PARKING  
LOT. IT IS FOR WATER BILL  
PAYMENTS. THE DROP  
OFF SLOT IN THE MUNICIPAL  
BLDG. IS ALSO AVAILABLE  
24 HOURS PER DAY

**CALLING ALL CITY RESIDENTS WITH GREEN THUMBS!!  
(Or anyone who would like to spend some time outside!)**

The City is looking for volunteers to help tending to the City's Flower Gardens for 2021. So if you have a green thumb, or would just like to get some sun and help with the beautiful gardens in Waterville please contact:

**The Public Works Department at (419)878-8108**

### **SAFETY TIPS FOR USING ALTERNATIVE HEAT SOURCES**

With the cost of heating a house on the rise, many people are looking at alternative sources for heat this winter. Be sure that any alternative heating source that you are considering is properly installed and follows all manufacturers' safety procedures before operating the appliance.

Whether you use your fireplace regularly each year or not, you should have it cleaned and inspected. You should avoid using coal, charcoal, trash or paper wrappings in your fireplace. These items burn extremely hot and can cause chimney fires. Here are just a few safety tips to keep in mind this heating season:

- ♦ Your gas cooking stove and oven should not be used as a heating source. This is due to the danger of Carbon Monoxide that could build up in your home. Carbon Monoxide is an odorless, colorless gas that can be fatal when breathed.
- ♦ Kerosene heaters should be placed on level, hard and non-flammable surfaces. Store kerosene fuel in containers intended and marked as such. Never use gasoline in a kerosene heater. Even small amounts of gasoline can cause a fire when accidentally mixed with kerosene. Always refuel the heater outside and only after it has cooled.
- ♦ Generator usage also increases during the

winter months. Remember - never use a generator in your home or attached garage. It should be operated in a well-ventilated area and protected from the elements. It should only be refueled outside and after it has cooled down.

- ♦ Every home should have working smoke

### **SIDEWALK ICE & SNOW MAINTENANCE**

With cold weather upon us we would like to remind all residents that by City Ordinance *Section 521.06*

**"Sidewalks must be clear of ice and snow at all times. Snow and/or ice should be removed within the first twelve (12) hours after daylight, following or during a fall of snow."**

Certain ice control techniques can be very harmful to concrete. Rock salt and fertilizers (commonly referred to as de-icers that contain calcium) will deteriorate sidewalks. These substances will pit the concrete surface. The abrasive effect combined with the chemical reaction will have an extremely corrosive impact. **It is best to use shovels and ice tools to maintain sidewalks along with de-icers, sand or ash.**

There are many *non-calcium* products

available to control snow and ice that contain additives minimizing the corrosive impact of the active ingredients.

**If you choose to use a calcium de-icer, *Calcium chloride* is less harmful than rock salt.**

### **FIVE STEPS TO SAFER SHOVELING**

The average shovelful of snow weighs 20 pounds, and all that lifting can lead to blisters, muscle strains, back injuries and even heart attacks.

***So be Careful!***

- ❄ **Warm up first.** - Running in place or stretching beforehand will release chemicals in the muscles that help prevent injuries.
- ❄ **Take breaks.**— Aerobically speaking, shoveling is comparable to weightlifting. Pace yourself and drink plenty of fluids.
- ❄ **Get a good grip.**— Wear gloves thick enough to protect the skin from blisters. Space your hands apart on the handle to increase your leverage and make it easier to lift the snow.
- ❄ **Lift safely.** - Squat with your legs apart, knees bent and back straight. Keep the shovel close to your body. Push the snow instead of lifting it, and throw snow forward - don't twist your body while lifting, carrying or throwing.
- ❄ **Watch for warning signs.** - Health experts advise people at risk of heart attack, such as smokers and individuals with diabetes or high blood pressure, to take it easy while shoveling. Stop and get help immediately if you experience persistent shortness of breath, chest discomfort, weakness or excessive sweating.

**If you have an elderly or disabled neighbor, please take a few minutes to help them clear their walks.**

**Your kindness will be greatly appreciated!**

## WATERVILLE'S SNOW EMERGENCY PARKING BAN

In order for the streets to be cleared, it is necessary to ban parking on streets during a "snow emergency".

A snow emergency exists when snow reaches an accumulation of 4" (four inches) or more.

***"From the inception of a snow emergency until 24 hours thereafter, or until such time as the snow has been removed, if such time is sooner, no owner of any vehicle shall be permitted to park or stand on any municipal street."***  
(Section 351.15)

Vehicles may be parked for a period of not longer than 15 minutes from the actual loading or unloading of passengers or property if snow removal equipment is not being operated on such street and no other ordinance restricting parking is violated.

Whenever such an emergency exists, the Municipal Administrator shall make a reasonable attempt to announce the emergency by informing at least two radio and/or television stations with a normal operating range covering the community. However, owners and operators of motor vehicles are responsible for as-

sessing existing weather conditions and the depth of snowfall and should comply with the parking restrictions.

***"No person shall cause or permit snow to be moved, placed, or stored over or on any portion of the paved right-of-way of any street from any location on private property."***

Please help us keep your streets safe and free of ice & snow.

### Pre-Storm Parking Ban!!!!!!!!!!!!

**When 4" or more of snow is *forecast*, we ask that residents remove their cars from the streets prior to the storm. This will allow our crews to begin clearing the roads as quickly and thoroughly as possible.**

### 3 LEVELS FOR ROAD EMERGENCY IN LUCAS COUNTY

With the winter season upon us we would like to provide you, once again, with the definitions of the 3 snow levels that the news media will be using.

**LEVEL I** Roadways are hazardous with blowing and drifting snow. Roads are also icy. *Drive very cautiously.*

**LEVEL II** Roadways are hazardous with blowing and drifting snow. Only those who feel it is necessary to drive should be out on the roadways. Contact your

employer to see if you should report to work.

**LEVEL III** All roadways are closed to non-emergency personnel. No one should be out during these conditions unless it is absolutely necessary to travel. All employees should contact their employer to see if they should report to work.

Those traveling on the roadways *may subject themselves to arrest.* If extreme

conditions exist (such as high winds with extreme wind chill factor) a **Level III \*Red Alert** may be issued.

**If you have any questions or concerns please contact the City of Waterville Administration offices at 419-878-8100, or the Waterville Police Department at 419-878-8184.**

### SAFETY TIPS FOR BLIZZARD CONDITIONS

#### Avoid Overexertion & Exposure

Exertion from attempting to push your car, shoveling heavy drifts, and performing other difficult chores during the strong winds and bitter cold of a blizzard may cause a heart attack even for people who are in good physical condition.

#### Stay Inside Your Vehicle

Do not attempt to walk out of a blizzard.

Disorientation comes quickly in blowing and drifting snow. Being lost in the open country in a blizzard is almost always certain death. You are more likely to be found in your vehicle.

**Carbon Monoxide and Oxygen Starvation** Run the engine and heater sparingly, and only use the downwind window for ventilation. Freezing wet snow and wind driven snow can completely

seal a vehicle, make sure you have access to fresh air at all times.

**Exercise** by clapping hands and moving arms and legs vigorously from time to time to keep your body warm.

**Turn on Your Dome Lights at Night** to make sure your vehicle is visible.

### Winter Driving Tips from the Ohio Department of Public Safety

\* **When driving in the snow**, accelerate, turn and brake slowly and gently. Always leave plenty of distance between you and other vehicles.

\* **On slippery roads** allow at least three times the normal dis-

tance to reach a full stop and avoid skidding. This means your safe distance behind a vehicle in front of you should be three times as far. And you must begin braking three times as far away from the stoplight or corner where you turn.

\* **In heavy snow**, keep your lights on.

\* **Clean the snow off your windshield**, headlights and taillights before driving. Stop and clean your windshield and lights if necessary.

\* **Keep your vehicle in top mechanical shape.**

\* **Listen to the weather forecast.**

## **HOLIDAY SAFETY TIPS**

*This holiday season, don't let the spirit of giving lull you into giving burglars, muggers, and pickpockets a better chance to do their dirty work. Crooks love the holidays as much as everyone else, but mainly because it's an opportune time for crime.*

### **IF YOU ARE TRAVELING**

- \* Get an automatic timer for your lights.
- \* Ask a neighbor to watch your home, shovel snow & park in the driveway from time to time
- \* Don't forget to have mail & newspaper deliveries stopped.
- \* Fill out a "request for a security check" form at the Waterville Police Department

### **IF YOU ARE OUT FOR THE EVENING**

- Turn on lights and a radio or TV so it looks like someone is home.
- Be extra cautious about locking doors & windows when you leave, even if it is just for a few minutes.
- Don't display gifts where they can be seen from outside.

### **IF YOU ARE SHOPPING**

- ♦ Stay alert & be aware of what's going on around you.
- ♦ Park in a well-lit area & be sure to lock the car & hide shopping bags & gifts.
- ♦ Avoid carrying large amts. of cash; pay with a credit card.
- ♦ Deter pickpockets & purse snatchers—Don't overburden yourself with packages. Be extra careful with purses & wallets. Carry a purse close to your body, not dangling by the straps. Put a wallet in an inside coat or front pants

### **IF A STRANGER COMES TO THE DOOR...BEWARE**

Criminals sometimes pose as couriers delivering gifts & it's not uncommon for people to try to take advantage of other's generosity during the holidays by going door-to-door for charitable donations when there's no charity involved. Ask for identification & find out how the funds will be used. If You aren't satisfied, don't give! Help a charitable organization you know!

## ESTIMATED INCOME TAX DUE

- City of Waterville Estimated Tax Payments are due Quarterly. Payments should be sent to the Regional Income Tax Agency (R.I.T.A.)
- When completing your tax return if you complete the Estimated Tax Section Line #20 on an Individual Tax Return (Form 37) R.I.T.A. will send you quarterly invoices. If you did not fill in the form, or if you were not aware that you were going to be submitting Estimated Payments, you can complete A Declaration of Estimated Tax (Form 32). Every person who anticipates any taxable income (City Ordinance 171.07) must file a declaration of Estimated Taxes if you anticipate owing more than \$10 in income tax during the year.

QUARTER	ESTIMATED PAYMENT DUE
1ST	APRIL 15
2ND	JUNE 15
3RD	SEPTEMBER 15
4TH	DECEMBER 15

**ATTENTION: Landlords**, don't forget to update any changes in tenant status in the properties that you own in Waterville. You can find the forms on our website [www.waterville.org](http://www.waterville.org) under the Income Tax Link. *Chapter 171.18 Ord. 34-11*

**ATTENTION: All Tenants**, as a \*tenant in the City of Waterville you are required to pay municipal income tax to the City. If you have not already done so, please contact R.I.T.A. to set up an account.

*\*Chapter 171.02 (bb)*

If you need further information please visit the R.I.T.A. website [www.ritaohio.com](http://www.ritaohio.com), or call their toll free phone # 800-860-7482 for assistance.

## Mailbox Check

**Now is the time to check your mailbox to ensure that it will withstand the winter snows!!!**

**The City of Waterville will not repair any mailboxes which are damaged as a result of snow and/or ice or any other object dispersed by the snowplow.**

**It is the homeowners responsibility to maintain their mailbox to withstand the rigors of a winter snow. Mailboxes should not overhang any curb nor pavement surfaces used as part of the travel lanes. The City will only replace or repair mailboxes that are actually hit by the snowplow, but will not repair mailboxes which overhang the curb or edge of pavement.**

## MED RETURN DRUG COLLECTION UNIT

THE MED RETURN BOX IS LOCATED IN THE REAR ENTRANCE OF TOWNHALL. IT IS AVAILABLE DURING NORMAL BUSINESS HOURS  
**8:00 AM – 4:30 PM MON-FRI.**  
ANYONE MAY DEPOSIT UNUSED PRESCRIPTION AND OTC MEDICATIONS IN THE BOX. THE MED RETURN BOX WILL NOT ACCEPT PILL BOTTLES OR PACKAGING. SO RESIDENTS WILL NEED TO EMPTY THE PILLS INTO THE DROP CHUTE, THEN DISPOSE OF THE CONTAINERS THEMSELVES.  
**LIQUIDS AND CREAMS ARE NOT ACCEPTED.**

DUE TO COVID-19 THE MED BOX IS ONLY AVAILABLE BY APPOINTMENT. PLEASE CALL THE WATERVILLE PD AT 419-878-8184 TO SCHEDULE!

# Let it Snow

## Slow Walk Season is Here

Most areas are starting to feel the full force of winter's cold temperatures, combined with ice and snow and all the dangers that these conditions bring with them. Please remember to take special precautions when walking and driving. Slips, trips and falls are some of the leading causes of injuries at work & home. Many people are seriously injured or killed each year from slips, trips and falls. *Please take extra precautions when: Walking on snow & ice. Make sure your foot wear has good soles. Entering & exiting vehicles are also a major cause of serious injury. Take the time to insure firm footing when entering and exiting a vehicle. Be cautious when first going outside from a warm building or vehicle. Warm shoe soles and ice can be a real head ache....or back ache :-)* Winter driving & walking presents many challenges, but we can all make it through winter safely by taking a few extra precautions.

# HANDY TIPS FROM THE WATER DEPARTMENT

**Please don't wait!!  
UPDATE**

**YOUR HOME PHONE OR CELL PHONE**

**ACCURATE CONTACT INFORMATION ALLOWS THE WATER DEPARTMENT TO CONTACT YOU IF THERE IS ANY ISSUE WITH YOUR WATER SERVICE OR YOUR CONSUMPTION. IF YOU HAVE RECENTLY CANCELLED YOUR LANDLINE PHONE AND ARE NOW ONLY USING YOUR CELL PHONE OR CHANGED YOUR HOME PHONE NUMBER.....PLEASE CALL THE CITY OF WATERTVILLE WATER DEPT. AT (419) 878-8101 AND UPDATE THIS INFORMATION.**

## **HIGH CONSUMPTION???**

If you notice that your Utility Bill is slightly higher than normal, 99% of the time it is a toilet leak. Most of the time you cannot hear the leak. We suggest that you put a few drops of food coloring in the tank of the toilet, and go back in 1/2 hour or so, and see if the color has leaked into the toilet bowl. If there is no change the first time try again later or over night. The cause is usually a worn flapper, or the flapper is just not sealing as it should. Sometimes even brand new toilets may need to be adjusted.

If you notice that you have a dripping faucet, you can be wasting up to 3 gallons of water each day!! That adds up to approximately 1000 gallons of wasted water per year.

## *Save Time & Money*

Have your monthly water bill deducted directly from your savings or checking account!

Contact the City of Waterville  
Water Department at 419-878-8101 for more  
information

## **DID YOU KNOW?**

The average indoor  
water use in a typical  
single-family home is  
80-100 gallons per  
person  
per day!!!!

### Carbon Monoxide

Carbon monoxide is a product of the combustion, or burning, of fossil fuels such as natural gas, propane, wood-burning stoves, or internal combustion engines – such as an automobile. You cannot see, smell or taste carbon monoxide – it is a deadly, poisonous gas that leads to injury and deaths each year across the country. Carbon monoxide, the gas that is a little heavier than the air we breathe, can cause you to become sick, or can be fatal, within a short time period, depending upon different factors.

Young children and older adults (especially with a history of chronic illnesses) are more susceptible to carbon monoxide poisoning than young adults. Carbon monoxide however, does not discriminate – it can be fatal to humans and animals.

Carbon monoxide is given off in various ways within homes. Fireplaces not vented properly, or forced air furnaces with old or damaged heat exchangers or flues, natural or propane gas kitchen stoves that are old or not maintained, water heaters that have plugged flues or are not maintained properly. If not installed or maintained properly, these heat-producing appliances have the habit of giving off this deadly gas named carbon monoxide. In addition, people that run their cars or other vehicles with internal combustion engines inside their closed garage doors are in danger of being asphyxiated with the gas.

If you start to have symptoms of carbon monoxide poisoning, such as a headache, excessive drowsiness for no explanation, nausea and or vomiting (flu-like symptoms), contact the Waterville Fire Department – by calling 911 - for immediate assistance.

So basically: have your home's furnace maintained by a licensed heating contractor; your wood-burning fireplace examined by a professional chimney sweep; and have problems with such appliances as water heaters or other natural gas fueled appliances serviced or repaired by professionals – such as licensed plumbers. Another important device that will add to your safety is a carbon monoxide detector, which can be available at local home improvement stores. These devices need to be installed in the correct location(s) in your home – so follow the manufacturer's directions or contact the fire department or your gas com-

### "HELP YOURSELF TO HEALTH"

Many times throughout the year, your fire department is called out to residences for medical emergencies that could possibly have been avoided. What is evident to us when we arrive may times to these types of incidents are a cornucopia of things people didn't do correctly; such as following the proper or safe steps to completing a household task, were in too big a hurry, didn't have the right tools or equipment, or were performing the task in bad weather. Hopefully, we can spotlight some of the problems we see, and develop methods or ideas to help reduce the need to call the fire department in an emergency. **However, if you do have to contact the fire or police department, please don't hesitate and CALL 911.**

In this winter edition, we are looking at:

- Obtaining flu shots
- Snow shoveling and,
- Hanging holiday lights or displays

The vote is still out on whether flu shots are for everyone. Many persons obtain flu shots every year, before the flu season hits us. Other individuals may go on for long periods of time, and never or rarely get the flu... but then there are those persons who didn't get a flu shot and catch it each year! In all, it's a personal decision to have a flu vaccination. Check with your family physician as to the best route for you to go. Our department responds to "ill person" calls frequently each winter season, an probably 25% of the time, the person has the flu. Responses to ill person calls that turn out to be flu cases increases the risk of our first responders catching the flu while administering to your illness. We protect ourselves on these types of runs with the use of simple surgical masks to keep us from inhaling germs.

If you do come down with the flu or a respiratory illness we recommend that you use the same type mask, just *as a precaution from spreading the germs to others in your family or friends*. Wash your hands frequently to avoid spreading germs, and cover your mouth and nose if you're going to cough or sneeze.

Shoveling Snow...this can be a daunting task for elder persons. To prevent having health problems from over-exerting, you should have younger persons shovel your snow. Persons have been known to become short of breath, get chest pain, and cardiac problems while trying to move snow. Avoid the exertion!

Holiday lights are a beautiful thing to observe during the winter season, however, hanging holiday decorations can be dangerous if not done safely. Use a safe, sturdy ladder to work from if you are ascending up off the ground. When hanging lights, use caution when around electrical systems, and always use the proper water-proof/outdoor lights and extension cords. Avoid going onto the roof, as they can have unseen ice, or even just water laying that you may slip on causing a fall.

Above all, ask for help from other family members, neighbors, or relatives to get your winter season tasks done.

# WATERVILLE FIRE DEPARTMENT

"FLASH POINTS"

## Fire Hydrants & Snow Falls!

An important part of the City's water system in the fire hydrants. Most of the fire hydrants throughout the city are city-owned and maintained; others on the outskirts of town or into Waterville Township are owned and maintained by Lucas County government. Fire hydrants are an important piece of the fire department's fight against fire. Fire apparatus on the average only carry about 700 gallons of water, and for some "working fires" would be used up in a matter of minutes. Thus, it is important for firefighters to be able to locate and have full access to fire hydrants. This is where you fit in!

You can assist the fire department in the winter months by keeping a fire hydrant in front of your home clear of snow, especially large accumulations that can pile up around hydrants located closer to street curbs than others. If you can, please shovel snow away from hydrants by at least 3 feet in all directions. It takes firefighters time and effort to clear accumulations of snow and be able to connect fire hoses. In addition, some fire hydrants are lower to the ground than others, and are difficult to see if covered with snow. The fire department staff has been working on applying markers or flags to certain hydrants that appear to be in this type of situation. However, not all hydrants receive markers or flags for visibility. By helping the department with removal of snow around hydrants, you are part of an important team that keeps Waterville safe.

**The City of Waterville  
ADOPT A  
FIRE HYDRANT  
PROGRAM  
AFTER IT SNOWS!**

**Claim responsibility for shoveling  
out a fire hydrant after it snows.  
This will ensure that they are  
visible in case of an emergency!**

**Call the Municipal Bldg. at  
419-878-8100 for more information!**

## ADOPT A FIRE HYDRANT IN THE SPRING

When the snow melts away from the fire hydrant in the Spring consider "adopting" a fire hydrant in your front yard during the warm weather months by regularly clearing vegetation and painting it, if necessary, with paint and supplies provided by the City! If interested, contact the City offices at (419) 878-8100 or go to [towhall@waterville.org](mailto:towhall@waterville.org) for details.

# Waterville Recycling & Waste Service Guide

## Waste Collection Guidelines

- If you have any questions regarding the handling or acceptability of an item, please contact Republic Services at 800.234.3429 or the City Office at 419.878.8100.
- Households may purchase extra bag tags at the **Municipal Office at 25 N. Second St. Hours are 8 a.m. – 4:30 p.m., Monday – Friday.**
- Large, bulky items, such as furniture and appliances, are collected the same day as regular trash. *\*Residents must purchase a bulk item sticker for each item. Large item tags are available at the Municipal office.*
- Appliances: Residents are responsible for the removal of all Freon® refrigerants from applicable appliances prior to collection by the contractor. A **certification label must be affixed to the appliance. This requirement is mandatory by federal law.**
- **Bi-Annual Unlimited Collections: The City of Waterville** will have a one-day unlimited cleanup twice per year for residents to dispose of unwanted items. Collections will be curbside and items will not require tags. Residents **will be notified on the website and electronic sign prior** to the collection of the exact date and time.

All waste will be collected on Mondays. All recyclables will be collected every other week on the same day as waste collection.

## Recycling Collection Guidelines

Residential curbside recycling is provided through the City's contract with Republic Services.

Recycling will be picked up every other week from your Republic Services provided cart. Please refer to the recycling calendar and map for details on collection weeks.

- Recyclables do not need to be sorted.
- Place your recycling cart at the curb away from your waste cart.

**The City of Waterville has one of Lucas County's recycling drop-off stations. The Lucas County station is located at the Waterville Kroger at 8730 Waterville-Swanton Road, and is free and open to all residents 24 hours a day, 365 days a year.**

### Acceptable Materials

Glossy magazines & bundled newspaper

Steel (tin) cans & aluminum beverage cans

#1 & #2 frosted plastic milk jugs & bottles

Liter plastic bottles & #1 & #2 plastic bottles

Clear, brown, & green glass bottles & jars

### Unacceptable Materials

Food waste  
Yard waste  
Ceramics or dishes  
Plastic grocery bags  
Motor oil containers  
Electronics

Clothing  
Polystyrene foam  
Light bulbs  
Window glass or mirrors  
Hazardous waste containers  
Construction waste

We'll handle it from here.

## Waste Guidelines

### Not Acceptable for Waste:

- Dirt, sod, rocks or paving stones
- Heavy construction debris such as shingles, brick or concrete
- **Hot ashes, coals, solvents or flammable materials**
- Liquids, including paint
- Hazardous wastes such as oils, poisons, corrosives, batteries, etc.
- Heavy items including carpet, furniture or auto parts
- Electronics

## Automated Service Guidelines

1. Place carts curbside by 7 a.m.
2. Please contain all waste within the cart. Extra material will require an extra bag tag. Extra bag tags can be purchased at the Municipal office.
3. Face the cart toward the street (wheels away from the street).
4. Position the cart within two feet of the curb.
5. Avoid placing the cart near parked cars, mailboxes or other objects.

Carts are property of Republic Services® and contain a serial number that coincides with your residence. **DO NOT remove carts. If you plan to move or if your cart is damaged, call Republic Services.**

©2020 Republic Services, Inc.

## Recycling Guidelines

### Recycling:

- **Newspaper, inserts & junk mail**
- Magazines, catalogs & envelopes
- Paperback books & phone books
- Cardboard & clean pizza boxes
- **Office & school papers, box board (cereal, cake & cracker boxes)**
- Paper egg cartons
- Aluminum cans & clean foil
- **Tin & steel aerosol cans (empty)**
- Glass jars & bottles (empty)
- All plastic containers labeled 1 through 7

Prepare your recycling properly; please remember all containers should be **empty, clean and dry**. All of the items listed can be mixed together and placed in your cart; no sorting needed!

## Do NOT recycle:

- Plastic bags
- Feed waste
- Food-tainted items
- Polystyrene cups or plates
- Motor oil bottles
- Plastic toys or sporting goods
- Electronics
- Compact discs or DVDs
- Foam egg cartons
- Ice cream cartons
- Light bulbs
- Hangers
- Yard waste or garden tools

**Please Do NOT place these items in your recycling cart. Instead, utilize your waste cart for these items.**

## **Tips for Handling Panhandlers**

**Do not give money to panhandlers!**

**Do not give panhandlers money; there are better ways to assist the home-less. Do not be fooled; food, shelter, and assistance are available to those in need. Panhandling for drugs or alcohol is very common. Walk purposefully and with confidence. Give the appearance that you are aware of your surroundings and what is going on around you. Acknowledge a panhandler with a nod, and answer the request for money by saying "no". Then walk away. Do not be angry or feel guilty. While in a vehicle, do not roll down your window or engage in conversation with those standing on the side of the road panhandling. Think about your liability if a panhandler gets struck by a vehicle while coming to you for money.**

**Some of the Ploys panhandlers' use: My wife is sick (or pregnant) and I need money for... I'm out of gas, can you spare some change... I need money for an important phone call... Imagination is their only limitation. Note: If you wish to give money, have it out and ready to give. Do not go into wallets, pockets or purses in front of panhandlers. It is not illegal to solicit people for money (Aggressive Panhandling is a violation of the law), but anyone who feels threatened, annoyed, or intimidated should call 911 as soon as possible. Give a description of the panhandler, location it occurred, time of occurrence and direction of travel when the panhandler left. Be willing to assist the police with prosecution if necessary.**

# WATERVILLE POLICE

## OFFICER SPOTLIGHT

Officer Bobbie Jo Newman - Buchanan has been with the Waterville Police Department for 7 years. She was born in Trenton Michigan and moved to Ohio in 1998. She received her associates degree from ITT tech in Criminal Justice in 2011. Officer Newman-Buchanan graduated from the Ohio Basic Police Academy at Owens Community College in 2012. She is very active with the Waterville Police Department. She is a Standardized Field Sobriety Test Instructor for the department. You may have seen her peddling through town as she is a member of the police departments bike patrol. She is also involved with the Youth Diversion Program through the Spring Green Education Foundation. When not at work, Officer Bobbie Jo Newman enjoys spending time with her family in Michigan. She enjoys exploring new parks, and vacationing in Virginia.

# WATERVILLE POLICE

The fastest way to get an officer to respond is  
Dial (9-1-1)

## How Lucas County Dispatch Works For You

The Waterville Police Department is dispatched through the Lucas County Sheriffs Office. When you need to get in contact with an officer the quickest way to do so is to call 9-1-1. We understand calling 9-1-1 might seem excessive for something that doesn't require an emergency response. An emergency response will only occur if the call dictates that type of response. For all other non-emergency calls, officers will respond in a timely fashion, (without their lights or sirens). Keep in mind, a longer than normal response time may occur if officers are on a higher priority call. When you call 9-1-1 you will speak with a call taker. The call taker will ask you a series of questions. Please be patient with them, and understand that the information you give them is vital for the situation taking place. Once the information is given to the call taker, it is transferred to a dispatcher. The dispatcher will then relay the information to an officer(s), depending on the type of call. The call taker may ask you to stay on the line to give updates on the situation while officers are responding. Please don't hesitate to call 9-1-1 When you see something suspicious in your neighborhood even though its not an emergency.
