In partnership with the City of Waterville, our goal is to revitalize and expand Waterville's parks over the coming years, providing engaging play and recreation for children of all ages and abilities. We aim to foster their physical, social, cognitive, and emotional growth in an accessible, inspiring environment. This project requires careful planning, design, funding, and construction, with a focus on sustainability and safety. To make this vision a reality, we need the support of volunteers and professionals, and.... YOU! We're dedicated to ensuring every child feels a sense of belonging through this initiative.
